**Randa Covington** (F, 40 - 50) — High-strung perfectionist and workaholic. She is struggling to cope with a surprise career derailment after losing her job as an architect. Unfortunately it has shown she has no life and no idea how to get one.

**Dot Haigler** (F, 60s) — Retired high school French teacher. Still reeling from her husband's recent demise and loss of their plans for an idyllic retirement. Faces the unsettling prospect of starting a new life from scratch - alone. She is daffy and endearing.

**Marlafaye Mosley** (F, 50s) — Earthy and boisterous liquor rep. A good ol' Texas gal, who has blasted in to Savannah in the wake of losing her tom-cattin' husband to a 23 year old dental hygienist. The strength of her desire to establish a new life is equaled only by her desire to wreak a righteous vengeance on her ex.

**Jinx Jenkins** (F, 30 - 50) — New to town, a spunky ball of fire. Self confident and gregarious, offers her services as a life coach to the others. However her determination to get their lives on track has blinded her to the fact she is the one most desperate in need of sage advice.

Four unique Southern women, needing to escape the sameness of their day-to-day routines, are drawn together by fate, hot yoga, and an impromptu happy hour. Randa, a perfectionist and workaholic, is struggling to cope with a surprise career derailment. Dot, still reeling from her husband's recent demise, faces the unsettling prospect of starting a new life all alone. Earthy and boisterous Marlafaye arrives in Savannah fresh from losing her tom-cattin' husband to a twenty-three-year-old dental hygienist. Also new to town, Jinx, a spunky ball of fire, offers her services as a much-needed life coach, despite being the one most in need of sage advice. They realize it's never too late to make new old friends. Raise a glass to strong Southern women and their fierce embrace of life.
